#### **INSTRUCTIONS**

#### PLEASE READ CAREFULLY

You may submit this form if you are a Tier III, IV, or VI member and you are requesting a Cost Letter to purchase credit for the types of service listed below. (For *prior service* credit that TRS has previously verified as eligible for purchase, you may instead request a Cost Letter online, or use our Prior Service Calculator, after logging in to the secure section of our website.)

## Types of Service for Which You May Purchase Credit

**Prior service** Any creditable service you rendered with a New York City and/or New York State public employer

before joining TRS that was not transferred to TRS.

Amman service Regular substitute teaching and/or per diem service you rendered with a New York City public

employer during a leave of absence from your TRS-eligible position or after separating from service.

Other NYC and/or NYS service

Other service you rendered with a New York City and/or New York State public employer during a leave of absence from your TRS-eligible position or after separating from service. Such service must be in a position that would not qualify you for TRS membership and that was not regular

substitute teaching or per diem service.

**Military service** Certain eligible military service that interrupted your employment.

(Do <u>not</u> file this form to purchase credit for military service rendered during specified periods of military conflicts (i.e., Article 20 of the New York State Retirement and Social Security Law). Instead, please file a

"Military Service Credit Request Form" (code SD68).)

#### **Benefits of Purchasing Service Credit**

- Your prospective service retirement allowance would be higher.
- If you are not vested, you may more quickly attain vested rights and qualify for retirement benefits.
- If you are a Tier III or IV member, purchasing service credit may also enable you to more quickly attain the years of credited service needed to stop or reduce the contributions you are making to the Qualified Pension Plan (QPP).

## **Crediting of Service**

- Prior service would be credited after the service is verified by TRS, after you have completed at least two years of membership service, and upon payment.
- Amman and other NYC and/or NYS service would be credited after the service is verified by TRS, after you have completed at least two years of membership service, upon payment (if required), and upon return to active service in a TRS-eligible position.
- Military service would be credited after the service is verified by TRS, upon payment (if required), in accordance with relevant laws.

#### **CONTINUED FROM PAGE 1**

#### **Documentation of Service**

- **Prior service:** If you are claiming credit for prior service that TRS has previously verified as eligible for purchase, you do not need to resubmit documentation.
- Amman and other NYC and/or NYS service: Upon receipt of this form, TRS will contact your former employer(s) to verify your service. If you submit documentation to support your claim for service credit, your documentation must meet all of the following criteria:
  - ✓ The documentation must be on official letterhead from the employer for whom you rendered the service; and
  - ✓ The documentation must contain the exact time period(s) of service (e.g., total hours or days worked) with a
    year-by-year breakdown; and
  - ✓ The documentation must show the status of your employment during the service rendered (e.g., full-time or part-time); and
  - ✓ The documentation must detail your salary history and title(s) during the service rendered (*e.g.*, showing the effective date of any annual salary, hourly rate, or title changes).

*Note:* In certain cases, TRS may need to request additional documentation to determine whether your service is creditable.

- Military service: You must submit the following official documentation to verify your service:
  - ✓ A notice from your employer of your appointment in an eligible position; and
  - ✓ A notice of your entry into military service; and
  - ✓ A notice of your separation from military service (i.e., the DD-214 military discharge form); **and**
  - ✓ A notice from your employer of your resumption of service in an eligible position.

*Note:* If you are claiming credit for military service rendered during a leave of absence without pay (*i.e.*, after becoming a TRS member), you must also submit a leave notice issued by your employer that clearly states the purpose for which the leave was granted and the period covered by the leave.

## **General Provisions**

- If you intend to retire within the next 12 months, please indicate your expected date of retirement in Part B of this form.
- Your Cost Letter will be based only on the amount of creditable service that has been verified by your employer(s) and/or
  official documentation.
- If you already submitted documentation and/or if TRS already verified your service, you would not need to resubmit any
  information at this time unless you are claiming additional unverified service. If you are claiming credit for unverified
  Amman, other NYC and/or NYS, and/or military service, submit this form with your documentation. If you are claiming
  credit for unverified prior service, you should instead submit a "Record of Prior and/or Transferred Service Form"
  (code SB146) with your documentation.
- For a breakdown of your Total Service Credit, you may consult your latest Annual Benefits Statement (ABS) or submit a "Total Service Letter Request Form (For Tiers III, IV, and VI Members Only)" (code SB66).

## **Questions and Further Information**

- For more information about service credit, please refer to the service credit brochures on our website.
- If you require additional assistance, please contact our Member Services Center at 1 (888) 8-NYC-TRS.
