Who is eligible to invest in the Passport Funds?

All TRS members, regardless of tier, may invest their Tax-Deferred Annuity (TDA) Program contributions in the Passport Funds.

Tiers I/II members may invest Qualified Pension Plan (QPP) contributions (that is, contributions to the Annuity Savings Fund and Increased-Take-Home Pay accounts) in the Passport Funds.

Contributions are not permitted after retirement.

However, all members — in-service and retired — may change their investment allocations within the Passport Funds at any time.

Fixed Return Fund

Fund Objective: To provide a fixed rate of return determined by the New York State Legislature.

> Inception Date

January 1968

> Strategy

The fixed rate of return is determined by the New York State Legislature, in accordance with applicable laws. This Fund is not strategy-based.

> Investment Managers

This Fund is not managed by outside investment managers.

> Risks

The crediting rate on the Fixed Return Fund is guaranteed in accordance with applicable laws.

> Annual Crediting Rate

- 8.25% for QPP investments. This rate is available only to Tiers I and II members.
- 7% applicable for TDA investments. This rate is available to members serving in titles represented by the United Federation of Teachers (UFT). This includes UFT members who have retired or resigned.
- 8.25% applicable for TDA investments. This rate is available to all other members.

Historical rates are published on our website.

> Additional Information

Sustainable Equity Fund

Fund Objective: To seek long-term capital appreciation.

> Inception Date

July 2008

> Strategy

The Fund invests in companies that the manager believes exhibits strong fundamental and financial characteristics that also have durable business models, and that benefit from sustainable business advantages. In addition, a risk assessment on environmental, social, and governance-related risk factors is performed by the manager to identify undesired risks that might not be revealed by a traditional investment research approach. The composition of the Fund can change at any time.

Criteria used to define companies as sustainable:

- (1) Internal sustainability strategies that drive tangible business benefits, including revenue growth, cost improvements, enhanced franchise value, and risk mitigation;
- (2) Products that have sustainability drivers such as resource-efficient design or manufacturing; or
- (3) Products or services that offer solutions to long-term sustainability challenges.

> Benchmark

The Sustainable Equity Fund's benchmark is the Russell 1000 Growth Index. Prior to October 2019, the benchmark was the S&P 500 Index.

> Investment Managers

This Fund is managed by Brown Advisory. This can be changed at any time by the Teachers' Retirement Board.

> Risks

The value of an investment in this Fund will fluctuate in response to U.S. stock market movements. Securities of growth companies, on which this portfolio is more focused, can be more sensitive to a company's earnings and can be more volatile than the U.S. stock market in general. Funds with a focus on sustainability characteristics such as environmental, social, and governance (ESG) factors may underperform similar funds that do not have such a focus over some time periods. This Fund does not provide any type of principal protection or guaranteed level of return, and it is possible to lose money by investing in the Fund.

> Additional Information

In some TRS materials, the Sustainable Equity Fund may be referred to as Variable E.

Prior to October 2019, the Sustainable Equity Fund was known as the Socially Responsive Equity Fund.

More information about this Fund, including a statement of investments and a listing of investment managers, is available in TRS' *Investment Portfolios* publication. *Investment Portfolios* is published annually as of June 30, the end of TRS' fiscal year, and may be obtained by accessing our website at www.trsnyc.org.
